Instructions for the Manufacturer: List each distributor which sells your product(s) in the State of Illinois. For each distributor, provide the sales volume according to your records for each brand family for the liability year and provide copies of invoices or other documents that support the sales volume listed. In addition, provide the name, address and contact person for all distributors to whom you sold product for the liability year. You must retain all invoices and documentation of sales and other information relied upon for a period of 5 years, unless otherwise required by law to maintain them for a greater period of time.

By completion of this form, the Manufacturer identified above requests that the Attorney General:

- identify distributors, in addition to those the manufacturer has listed below, which have reported the sale of manufacturer's brands in Illinois during the liability year
- compare the brand sales volume below to that which distributors have reported to the Attorney General
- determine whether an escrow payment based on the manufacturer's reported sales volume represents adequate funding for the liability year
